RE: Proposed Revisions to Policy G-1.8 Financial Interests

This policy is being revised as part of its regular 5-year review and is scheduled for Board Information on July 30

Staff are proposing the following changes to G-1.8 Financial Interests.

- Retire the policy.

This policy has been reviewed by the Policy Review Team and the Policy Subcommittee and has been posted for public comment.

~~It is the policy of the Arlington School Board that selected employees must file reports of their financial interests. Disclosure of financial interests of School Board members is governed by State and County law. No section of this policy is intended to conflict with the State and Local Government Conflict of Interests Act of the Code of Virginia or the Arlington County financial disclosure law nor to relieve any Arlington Public Schools officer or employee from knowing and complying with the requirements thereof.~~

~~**Procedures and Guidelines**~~

~~The Superintendent may require other employees to file a similar report, taking into account the nature of the employee's duties.~~

Commented [SM1]: This is now covered in more detail by the new Policy G-1.8 Employee Conflict of Interests. This policy is no longer necessary.
