Item 1.02: Superintendent's Recommended Adjustments to FCPS School Boundaries
At the January 8, 2026, School Board Regular Meeting, Division Superintendent Dr. Michelle C. Reid presented the results of the Comprehensive School Boundary Review and her recommended Proposed School Boundary Adjustments. This comprehensive, division-wide review is required at least every five years by School Board Policy 8130, which was updated in July 2024. The recommendation was developed through a multi-phase process involving extensive community engagement that began in late 2024, as well as feedback from the Superintendent's Boundary Review Advisory Committee, staff, and consultants. Throughout the review, the School Board held four Work Sessions and updated Policy 8130 to reflect changes in how adjustments are phased. This public hearing was scheduled to provide for testimony and community feedback on the Superintendent's proposal.

Item 1.03: Public Testimony
77 individuals addressed the Board to testify on the Superintendent's Recommended School Boundary Adjustments.
