Site and Building Acquisition

This policy supersedes Policy 8320.43.

I. PURPOSE

To establish a policy for school and building site acquisition.

II. SUMMARY OF CHANGES SINCE LAST PUBLICATION

~~This policy has been reviewed and there are no changes at this time.~~

- This policy has been revised to add Philosophy and Responsibilities statements.

III. PHILOSOPHY

The School Board affirms that this~~is~~ program shall be beneficial to Fairfax County Public Schools, the community and the county taxpayers by ensuring that the acquisition of sites and/or buildings meets school and school support-related needs.

IV. RESPONSIBILITIES

The School Board shall acquire real property to meet the school division's current and projected school and school support-related needs. Such property shall be acquired by negotiation, dedication, or condemnation, as appropriate and permitted by law.

~~IV. ACQUIRING SITES~~

~~The School Board shall acquire school and building sites for future development by negotiation, dedication, or condemnation.~~

V. CONSIDERATIONS

Factors such as cost, location, county master planning, school size, anticipated growth, and timing, as well as the availability of adequate sewage, water, and other utilities, shall be considered during site acquisition.
