Policy 8560.7
School Board

FACILITIES

Facilities Management

Maintenance of Public School Facility Assets

This policy supersedes Policy 8560.6.

I. PURPOSE

To assign responsibilities for the maintenance of school buildings and systems.

II. SUMMARY OF CHANGES SINCE LAST PUBLICATION

- A Philosophy and a Responsibility section have been added.
- Section IV and V were combined into one section.

III. PHILOSOPHY

The School Board affirms that school buildings, grounds, and equipment should be preserved in an optimum condition by planned and orderly methods.

IV. RESPONSIBILITY FOR MAINTENANCE

The Superintendent shall safeguard all public school facility assets by ensuring their continued useful service to the instruction program and to the community for maximum length of time. The Superintendent shall be charged with developing maintenance procedures to allow maximum efficiency in carrying out this function, and shall perform maintenance tasks, as required.

The Superintendent shall provide oversight of the public school facility assets to ensure cleanliness and integrity of the building and building systems by generating work orders for maintenance requirements. The Superintendent will provide oversight and support as needed.
