Planning Commission Regular Meeting
Agenda Item 4.a.

Agenda Item: **Application for a Special Exception – SE #24-03, 1402 Winterland Ct., to consider a special exception to permit a home-based child daycare use within the PD-R, Planned Development-Residential, zoning district.**

Meeting Date: February 24, 2025

Category: Public Hearings

Prepared by: Fadrique Iglesias, Community Planner, David Stromberg, Zoning Administrator

Description:
This application is to consider a Special Exception to permit a home-based child daycare use within the PD-R, Planned Development-Residential, zoning district. The proposed use will increase the maximum number of children permitted at one time from 7 to 12. The property is zoned PD-R, Planned-Development Residential District. The property is designated in the Herndon 2030 Comprehensive Plan as "Neighborhood Conservation." The 11,959 square-foot lot is located on the north side of Winterland Court, west of its intersection with Tamani Drive. The single-family detached dwelling consists of approximately 3,450 square feet (above-grade living area).

Background:
The applicant applied for and received approval of a Zoning Inspection Permit (ZIP#24-026) to operate a child daycare use with a maximum of seven clients at one time as a home-based business at the subject property. ZIP#24-026 was issued on 09/30/2024 and the town has not received any complaints for this address.

The property is located near the intersection of Tamani Drive and Winterland Court, within the Four Seasons neighborhood. It is designated as “Neighborhood Conservation” in the Herndon 2030 Comprehensive Plan. The designation underscores the town's commitment to preserving and maintaining the character and quality of existing residential areas.

The subject property is a PD-R, 11,959 square feet residential lot featuring a primary dwelling unit with approximately 3,450 square feet of above-grade living area. This planned development residential zoning district is characterized by a mix of housing types designed to promote cohesive residential communities with convenient access to shared amenities.

The property's land use designation as a “Neighborhood Conservation” area

emphasizes compatibility with surrounding residential uses. The proximity to Tamani Drive and Winterland Court provides convenient access for families utilizing the childcare service while maintaining the residential character of the area.

The zoning ordinance standards seek to balance the increased capacity for childcare services with considerations for traffic management, neighborhood compatibility, and adherence to zoning and planning regulations in the Town of Herndon.

Fiscal Impact:
None

Staff Recommendation/Next Steps:
Staff recommends the Planning Commission approve the Special Exception with conditions. A home-based business, childcare use has been operating in similar locations since 2010 without negative impacts to the adjacent units or surrounding neighborhood. The expansion of the number of children is minor enough to not generate negative impacts.
