TOWN OF HERNDON, VIRGINIA
PLANNING COMMISSION

RESOLUTION

JANUARY 27, 2025

Resolution- to recommend to the Acting Town Manager of the Town of Herndon the FY 2026–FY2031 Capital Improvement Plan (CIP) and the Planning Commission's priorities, as presented at the Planning Commission work session of January 13, 2025, and public hearing of January 27, 2025.

The Planning Commission of the Town of Herndon, Virginia has reviewed the FY 2026 FY 2031 CIP and found that the CIP provides the necessary six-year financial planning schedule for the Town's public facilities and improvements. The Planning Commission has determined that the FY 2026–FY 2031 CIP aligns with the Town's 2030 Comprehensive Plan and the action items found in the Town's adopted Pedestrian Plan, Bicycle Network Master Plan and 2024-2029 Strategic Plan. The Planning Commission recognizes that the FY 2026–FY 2031 CIP is a draft and that adjustments will be necessary based upon additional information received during the finalization of the Proposed FY 2026 Operating Budget.

THEREFORE, BE IT RESOLVED by the Planning Commission of the Town of Herndon, Virginia that:

1. The Planning Commission recommends the FY 2026–FY 2031 CIP to the Acting Town Manager of the Town of Herndon for further consideration and adoption.

2. The Planning Commission further recommends that:

    a. The Sidewalk, Bicycle, and Trails project continues to be funded using General Funds dollars.

    b. The Town Hall Square & Depot project receives due consideration.

    c. The General Government project's focus should be on maintaining existing major infrastructure and ensuring the safety of operations.
