TOWN OF HERNDON, VIRGINIA
TOWN COUNCIL

RESOLUTION

APRIL 28, 2026

Resolution- to adopt the FY 2028 through FY 2032 portion of the FY 2027-FY 2032 Town of Herndon Capital Improvement Program.

The Capital Improvement Program (CIP) is a financial planning document that establishes a six-year schedule for public improvements. It serves as a companion policy document to the Town of Herndon 2030 Comprehensive Plan and the town's Annual Operating Budget. The focus of this action concerns the FY 2028 through FY 2032 CIP, as the first year of the CIP (FY 2027) is adopted with the Annual Operating Budget. The CIP document includes all six years and thus is referred to as the FY 2027 through FY 2032 CIP.

As mandated by the Code of Virginia, the proposed CIP was reviewed by the Planning Commission during a public hearing. The Commission's adopted Resolution 26-PC-003 dated February 23, 2026 provides the Commission's recommendation to the Town Manager.

THEREFORE, BE IT RESOLVED by the Town Council of the Town of Herndon, Virginia that:

1. The Town Council approves and adopts the FY 2028 through FY 2032 portion of the FY 2027 - FY 2032 Town of Herndon Capital Improvement Program.
